DK5055	600	700
DK5075	650	700

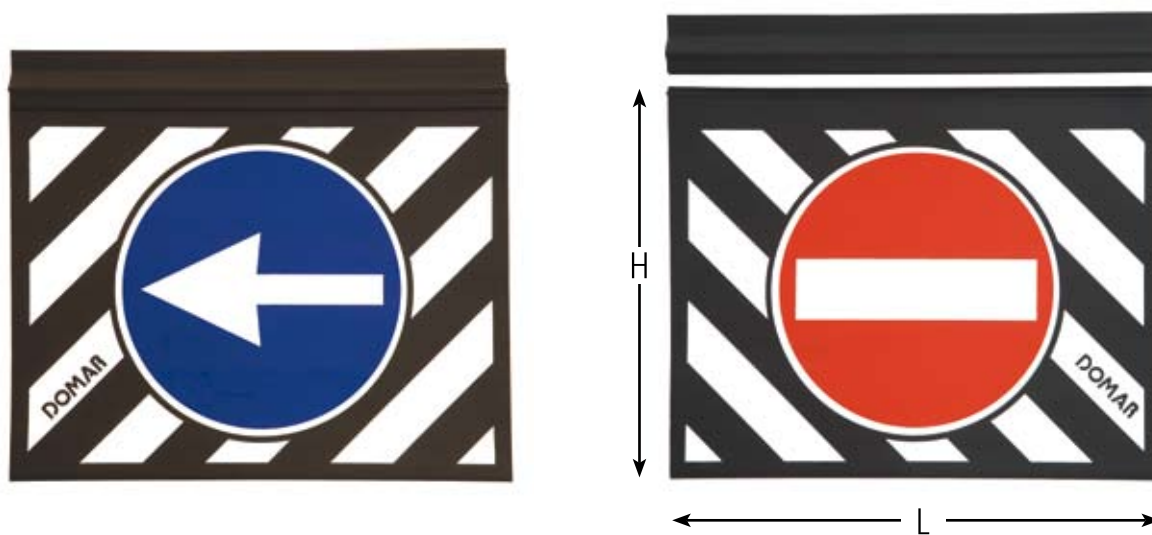

dimensions mm

Technical specifications

- Innovative design
- Easy to fit up
- It can be personalized by serigraphy

COUPLE OF MUD-FLAPS ANTI-NEBULIZER WITH SLIDING FITTING SET

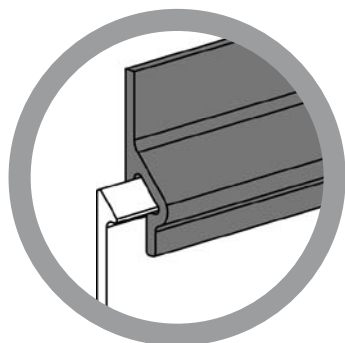

Technical specifications

mud-flaps

- material: extruded in flexible pvc
- flexible
- resistant to low and high temperatures
- fitted by fixed or sliding support
- easy fitting
- ecological
- mud-flap personalization
 - serigraphy in different colours
 - different dimensions in height and length

support

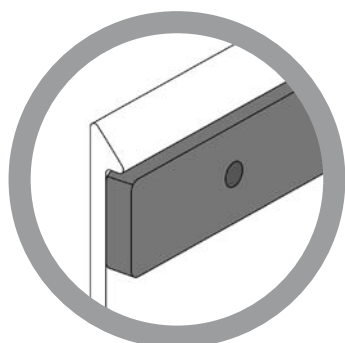

- material: rigid anti-shock plastic
- resistant to low and high temperatures
- ecological
